Information when hiring machines

Deposits for hired plant - non-account customers.

The normal procedure, unless specifically agreed otherwise, is that for customers who do not hold a trade account with Thorncliffe is:

-A deposit of £50 is taken by debit/credit card against upon hire to cover late return, damage, or uncleaned equipment. This is refundable (to the same debit/credit card) upon return of the equipment on time, and in an acceptable condition.

-For certain equipment, and in particular that of higher value, we reserve the right to request either a higher deposit, or for credit/debit card details being left with us as security. Any credit/debit card details left will be securely stored by us, and will be immediately destroyed upon return of the hired equipment.

Plant insurance is the responsibility of the hirer.

We can also repair your machines at both depots

Petrol & Electric

Quick turn around
