## DOES YOUR SKIP NEED TO GO ON THE ROAD?

If your skip is to be placed on a public highway, grass verge or parking bay you will need a skip permit.

Skip permits are required from your local council to allow the skip to be placed on a public highway. When we arrange your skip hire, we will also arrange the skip permit if required. Prices vary depending on the council.

It can take up to 5 working days for a permit to be issued by some council authorities. This will be clearly explained during the skip order process.

Please note that we cannot deliver a skip until a permit has been issued and paid for.

### What can I put in my skip?

- Soil/Rubble
- Timber
- Metal
- Garden Waste
- Paper
- Plastic
- General Waste
- Plasterboard

### What can't I put in my skip?

- Asbestos\*
- Tyres
- Fridge/Freezers
- Paint Tins
- Batteries
- Electrical Items
- Gas Canisters

\*Please contact us as special skips can be provided for this waste

With the words 'Carbon Footprint', 'Economical Waste' & mainly 'Recycling' on the tip of everyone's tongue, we make sure we are on the frontline with our service and reliability.

You too can be a part of this process when you hire a skip from Thorncliffe Recycling Centre and together we can help save the environment!
