# Information when hiring machines

Deposits for hired plant - non-account customers.

The normal procedure, unless specifically agreed otherwise, is that for customers who do not hold a trade account with Thorncliffe is:

-A deposit is taken by debit/credit card upon hire to cover late return, damage, or uncleaned equipment. This is refundable (to the same debit/credit card) upon return of the equipment on time, and in an acceptable condition.

-For certain equipment, and in particular that of higher value, we reserve the right to request either a deposit, or for credit/debit card details being left with us as security. Any credit/debit card details left will be securely stored by us, and will be immediately destroyed upon return of the hired equipment.

**Plant insurance is the responsibility of the hirer.**

	<b>1 Day</b>	<b>2 Days</b>	<b>3 Days</b>	<b>1 Week</b>
Ride On Lawn Mower	£150.00	£280.00		£450.00

Powerful, well balanced brush cutter that is capable of cutting anything it can drive over. From overgrown grassy areas, to abandoned woodland paths with thick undergrowth, right up to saplings.

Due to the low center of gravity, our range can also tackle slopes up to 25 degrees with ease and comfort, making it the ideal mower for all hard to get to areas where your regular mower will not be able to access. All this whilst also being able to leave a tidy finish on finer grassed areas, it is a true all rounder.
